Index to Volume 10: Subject

Acquired immunodeficiency syndrome
AIDS-related knowledge, fear, and behavioral change among nurses in Taiwan (Wang et al) 257
Knowledge of AIDS and safer sex practices among college freshmen (DiIorio et al) 159
Adaptation, psychological
Lifestyle changes and coping patterns among caregivers of stroke survivors (Periard and Ames) 252
Aged
Health, income, and postretirement employment of older adults (Toughill et al) 100
AIDS; *see* Acquired immunodeficiency syndrome
Association of Community Health Nursing Educators
Association of Community Health Nursing Educators: a tale of two celebrations (Cary) 65 (Editorial)
Association of State and Territorial Directors of Nursing
The Association of State and Territorial Directors of Nursing: leadership in official state agencies (Bender) 139 (Editorial)

Battered women; *see* Violence
Bedside care
The fundamental importance of bedside care in public health nursing (Lent) 263 (Historic article)
Birth
Social support during labor and duration of labor: a community-based study (Pascoe) 97
Blood pressure
Blood pressure comparison in a selected Native American and white population (Helgeson et al) 36

Caregivers
Lifestyle changes and coping patterns among caregivers of stroke survivors (Periard and Ames) 252
Responsibilities and reactions of family caregivers of patients dependent on total parenteral nutrition at home (Smith et al) 122
Cerebrovascular disorders
Lifestyle changes and coping patterns among caregivers of stroke survivors (Periard and Ames) 252
Child
Nutrition care for children with special health needs: a chart review (Lee et al) 177
Child day care centers
A model of health care delivery in a child day-care setting (Gaines et al) 166
College freshmen; *see* Students
Communicable diseases
Continuity, change, challenge (Goeppinger and Ostrand) 1 (Editorial)
Community-based programs
Definitions of health and health goals of participants in a community-based pulmonary rehabilitation program (Folden) 31
Nursing and the community (Winslow) 58 (Historic article)
COPD; *see* Lung diseases, obstructive
Coping; *see* Adaptation, psychological
Cost-benefit analysis
Easing the burden on health departments: a cost-effective method for public health nurses to increase private sector participation in the early and periodic screening, diagnosis, and treatment program (Selby-Harrington and Riportella-Muller) 114
Cultures
A model for delivering culture-relevant care in the community (Bernal) 228

Day care
A model of health care delivery in a child day-care setting (Gaines et al) 166
Delivery of health care
A model for delivering culture-relevant care in the community (Bernal) 228
A model of health care delivery in a child day-care setting (Gaines et al) 166
Depression
Loneliness, depression, and social support of patients with COPD and their spouses (Keele-Card et al) 245
Divorce
Social networks and social support of recently divorced women (Duffy) 19
Drug abuse; *see* Substance abuse

Early and periodic screening, diagnosis, and treatment program
Easing the burden on health departments: a cost-effective method for public health nurses to increase private sector participation in the early and periodic screening, diagnosis, and treatment program (Selby-Harrington and Riportella-Muller) 114
Education
AIDS-related knowledge, fear, and behavioral change among nurses in Taiwan (Wang et al) 257
Association of Community Health Nursing Educators: a tale of two celebrations (Cary) 65 (Editorial)
Effects of public health nursing participation in selected academic courses on self-reported functions and competencies: a collaborative pilot study (Lundy et al) 48
Theory-based practice: attitudes of nursing managers before and after educational sessions (Beynon and Laschinger) 183
Elderly; *see* Aged
Employment
Health, income, and postretirement employment of older adults (Toughill et al) 100
Environment
The impact of organizational and environmental factors on staffing in home health care (Burman) 233
Ethnic factors
A model for delivering culture-relevant care in the community (Bernal) 228
Public health nursing and the Jewish contribution (Benson) 55

Family
Lifestyle changes and coping patterns among caregivers of stroke survivors (Periard and Ames) 252
Loneliness, depression, and social support of patients with COPD and their spouses (Keele-Card et al) 245
Responsibilities and reactions of family caregivers of patients dependent on total parenteral nutrition at home (Smith et al) 122
Fear
AIDS-related knowledge, fear, and behavioral change among nurses in Taiwan (Wang et al) 257

Handicapped
Nutrition care for children with special health needs: a chart review (Lee et al) 177
Health
Definitions of health and health goals of participants in a community-based pulmonary rehabilitation program (Folden) 31
Health, income, and postretirement employment of older adults (Toughill et al) 100
Health care costs
Easing the burden on health departments: a cost-effective method for public health nurses to increase private sector participation in the early and periodic screening, diagnosis, and treatment program (Selby-Harrington and Riportella-Muller) 114
Health care delivery; *see* Delivery of health care
Health care reform
An open letter to public health nurses (Salmon) 211 (Editorial)
Vision for the future of public health nursing: a case for primary health care (Beddome et al) 13
Health promotion
Application of a model for public health nursing program planning (Ervin and Kuehnert) 25
Definitions of health and health goals of participants in a community-based pulmonary rehabilitation program (Folden) 31
The relation of public health nursing to the public health campaign (Crandall) 204 (Historic article)
Health services accessibility
Continuity, change, challenge (Goeppinger and Ostrand) 1 (Editorial)
Hearing
Predicting use of hearing protection: a preliminary study (Lusk and Kelemen) 189
Helplessness
Giving up: shelter experiences of battered women (Newman) 108
Herpes genitalis
Illicit drug use among young adults with genital herpes (Swanson et al) 197
HIV infection
Sense of coherence in minority women at risk for HIV infection (Nyamathi) 151
Home care
Case commentary—*Bass* v. *Barksdale:* implications for public health and home care nurses (Killion) 129
The difficult first week at home with a premature infant (McKim) 89
The impact of organizational and environmental factors on staffing in home health care (Burman) 233
Job satisfaction of rural public and home health nurses (Juhl et al) 42
Responsibilities and reactions of family caregivers of patients dependent on total parenteral nutrition at home (Smith et al) 122

Illicit drug use; *see* Substance abuse
Income
Health, income, and postretirement employment of older adults (Toughill et al) 100
Infant
Continuity, change, challenge (Goeppinger and Ostrand) 1 (Editorial)
Maternal factors that influence inadequate prenatal care (York et al) 241
Standards of care for high-risk prenatal clients: the community nurse case management approach (Mawn and Bradley) 78
Infant, premature
The difficult first week at home with a premature infant (McKim) 89

Jews
Public health nursing and the Jewish contribution (Benson) 55
Job satisfaction
Job satisfaction of rural public and home health nurses (Juhl et al) 42

Labor
Social support during labor and duration of labor: a community-based study (Pascoe) 97
Legislation
Case commentary—*Bass* v. *Barksdale:* implications for public health and home care nurses (Killion) 129
Life style
Lifestyle changes and coping patterns among caregivers of stroke survivors (Periard and Ames) 252
Litigation
Case commentary—*Bass* v. *Barksdale:* implications for public health and home care nurses (Killion) 129
Loneliness
Loneliness, depression, and social support of patients with COPD and their spouses (Keele-Card et al) 245
Lung diseases
Definitions of health and health goals of participants in a community-based pulmonary rehabilitation program (Folden) 31
Lung diseases, obstructive
Loneliness, depression, and social support of patients with COPD and their spouses (Keele-Card et al) 245

Malpractice
Case commentary—*Bass* v. *Barksdale:* implications for public health and home care nurses (Killion) 129

Minority groups
Sense of coherence in minority women at risk for HIV infection (Nyamathi) 151
Models
Application of a model for public health nursing program planning (Ervin and Kuehnert) 25
A model for delivering culture-relevant care in the community (Bernal) 228
A model of health care delivery in a child day-care setting (Gaines et al) 166
Mothers
The difficult first week at home with a premature infant (McKim) 89

Native Americans
Blood pressure comparison in a selected Native American and white population (Helgeson et al) 36
Noise, occupational
Predicting use of hearing protection: a preliminary study (Lusk and Kelemen) 189
Nursing managers
Theory-based practice: attitudes of nursing managers before and after educational sessions (Beynon and Laschinger) 183
Nursing staff
The impact of organizational and environmental factors on staffing in home health care (Burman) 233
Nutrition
Nutrition care for children with special health needs: a chart review (Lee et al) 177

Occupational health
Predicting use of hearing protection: a preliminary study (Lusk and Kelemen) 189
Older adults; *see* Aged
Orientation programs
Realities of developing community health orientation programs (Martaus et al) 173

Parenteral nutrition, home total
Responsibilities and reactions of family caregivers of patients dependent on total parenteral nutrition at home (Smith et al) 122
Parents
The difficult first week at home with a premature infant (McKim) 89
Pneumonia
Five hundred cases of pneumonia (Hitchcock) 170 (Historic article)
Pregnancy
Maternal factors that influence inadequate prenatal care (York et al) 241
Social support during labor and duration of labor: a community-based study (Pascoe) 97
Standards of care for high-risk prenatal clients: the community nurse case management approach (Mawn and Bradley) 78
Premature infant; *see* Infant, premature
Prenatal care
Maternal factors that influence inadequate prenatal care (York et al) 241
Standards of care for high-risk prenatal clients: the community nurse case management approach (Mawn and Bradley) 78
Primary health care
Vision for the future of public health nursing: a case for primary health care (Beddome et al) 13
Professional competence
Effects of public health nursing participation in selected academic courses on self-reported functions and competencies: a collaborative pilot study (Lundy et al) 48
Program planning
Application of a model for public health nursing program planning (Ervin and Kuehnert) 25
Realities of developing community health orientation programs (Martaus et al) 173
Protective devices
Knowledge of AIDS and safer sex practices among college freshmen (DiIorio et al) 159
Predicting use of hearing protection: a preliminary study (Lusk and Kelemen) 189
Public health
The relation of public health nursing to the public health campaign (Crandall) 204 (Historic article)
Pulmonary rehabilitation
Definitions of health and health goals of participants in a community-based pulmonary rehabilitation program (Folden) 31

Racial factors
Blood pressure comparison in a selected Native American and white population (Helgeson et al) 36
Retirement
Health, income, and postretirement employment of older adults (Toughill et al) 100
Rural nursing
Job satisfaction of rural public and home health nurses (Juhl et al) 42

Safety devices; *see* Protective devices
Sex behavior
Knowledge of AIDS and safer sex practices among college freshmen (DiIorio et al) 159
Sexually transmitted diseases
Illicit drug use among young adults with genital herpes (Swanson et al) 197
Shelter
Giving up: shelter experiences of battered women (Newman) 108
Social support
Loneliness, depression, and social support of patients with COPD and their spouses (Keele-Card et al) 245
Social networks and social support of recently divorced women (Duffy) 19
Social support during labor and duration of labor: a community-based study (Pascoe) 97
Special needs child; *see* Handicapped
Spouse; *see* Family
Staff; *see* Nursing staff
Standards of care
Standards of care for high-risk prenatal clients: the community nurse case management approach (Mawn and Bradley) 78

State government
The Association of State and Territorial Directors of Nursing: leadership in official state agencies (Bender) 139 (Editorial)
Stress, psychological
Sense of coherence in minority women at risk for HIV infection (Nyamathi) 151
Stroke; *see* Cerebrovascular disorders
Students
Knowledge of AIDS and safer sex practices among college freshmen (DiIorio et al) 159
Substance abuse
Illicit drug use among young adults with genital herpes (Swanson et al) 197

Taiwan
AIDS-related knowledge, fear, and behavioral change among nurses in Taiwan (Wang et al) 257
Theory-based nursing
Theory-based practice: attitudes of nursing managers before and after educational sessions (Beynon and Laschinger) 183
Total parenteral nutrition at home; *see* Parenteral nutrition, home total

Violence
Giving up: shelter experiences of battered women (Newman) 108

Wald, Lillian D.
Lillian D. Wald: progressive activist (Coss) 134 (Historic article)
Whites
Blood pressure comparison in a selected Native American and white population (Helgeson et al) 36
